Such interest will accrue daily and be compounded monthly. Payment of the interest does not release Buyer from its obligation to make payments on the agreed due dates or from the obligation to pay damages which might exceed the aforementioned interest rate. (d) All prices as set out in Seller's price list are subject to change without notice and are not guaranteed against change. Printing and clerical errors made by Seller on a quotation,

Seller's failure to notify Buyer of Buyer's proposed product changes means Seller has rejected Buyer's proposal. If Buyer's request for product, process, or quality system changes is accepted by Seller, and the product, process, or quality system changes cause an increase or decrease in the cost of the product, the manufacturing process, or the delivery schedule, Buyer shall make, in writing, an equitable adjustment in the price or delivery schedule, or both that is acceptable to the Seller.
